BRUNY ISLAND  
**MEN'S SHED**  
ALONNAH

PHOTOGRAPHY & LAYOUT BY BRUNY ISLAND MEN'S SHED

PRINTED BY: Kingborough Council

What's a "Men's Shed"?

Men's Sheds provide a relaxed friendly environment where men can come together, share their skills and knowledge and if they wish work together on projects or just socialize over a cuppa.

Thanks to the Kingborough Council we have the land. We are now focusing on building the new shed in an unusual way making it a structure Bruny will be proud of and which will extend our capability. Finance is slowly becoming available.

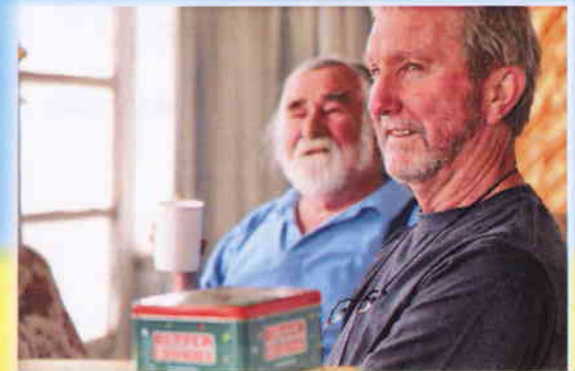

Our present temporary premises in Alonnah provided courtesy of Cygnet Mitre 10 and Bruny Island Plumbing.
