

Ted's Shed Song

*"There's a place we all know
And it isn't far to go
Yes we call it Melba Shed.
Where the wattles are growing
The Ginninderra's flowing
And a well-worn path we tread.
Where my friends and my good mates
Are waiting for me.
Where's there's always a welcome
And coffee or tea.
It's a place where we go
And it sets our hearts aglow
It's our very own Melba Shed."*
