Melba Shed – Sausage Sizzle

Preparation & Purchasing of Supplies Guidelines

Week prior to BBQ – things to check:

- Location of BBQ supplies: All of the BBQ tools, servers, gas lighters, cooking oil, sauce, serving aprons etc. are located at the end of the (closest) storeroom which has our cupboard in it (where we store our badges).
- Check the Shed store room to ensure there are adequate (serving) paper tissues available, and the sauce supplies (Tomato, BBQ & Mustard) and cooking oil are sufficient for the BBQ.
- The BBQ itself is housed in the end storeroom, and the bottle is kept there separately next to it. Check the gas bottle... if it appears to be getting low it can/should be swapped for a new one at Bunnings or the local Melba service station[much more expensive]) Note: keep your receipt for handing to the Treasurer).
- Ensure there is a tin (or several paper cups) under the drain end of the BBQ to gather excess fat rather than have it run off onto the cement.

Purchasing Supplies:

Purchase the following supplies (and most times from Coles Jamison), and do the following. Note: all these goods can be purchased through Coles Jamison if convenient;

- 4 packs of Thin Gluten-free sausages (22 per pack). If a larger Shed attendance is expected (say 60+) purchase an extra pack. If there are any remaining uncooked sausages they can be put in the freezer section of the Shed fridge.
- 3 bags chopped onions (located in top of freezer cabinet at furthest/eastern end of Coles). If you have any left-over just freeze them.
- 6 loaves of Sandwich bread (3 white & 3 wholemeal) – the Coles brand can usually be bought for 75c to \$1.00 (White) and about \$1.50 (Wholemeal).

On BBQ Day:

- Set up four tables (one either side of BBQ) for preparation & supplies, and two adjacent to the children's sand pit for bread, sauces, tissues etc.
- Ensure a rubbish bin (with liner – from drawer in kitchen) is located adjacent to the BBQ area.
- There are plastic tablecloths in the store room that can be used on the table used for bread & sauce pickup.
- Depending on the program for the day, it is best to start lighting the BBQ about 10.45-10.50am'ish (this will vary according to speakers or activities – if unsure check with the President or Committee Member on the morning).
- If you wish to claim the funds back (which you should) for these supplies it is best to give the receipt/s to the Treasurer... just write your name on the top and annotate reason for purchase. Funds will be directly deposited to your bank account if you give him your account details (or cash if available/preferred).
